Third Board Member Vote

May 5, 2025 I have conducted a parole review of Mr. Pritchett's file and am voting "not grant" for the following reasons: Crimes committed (capital murder among other very serious crimes including two other murder convictions. One at the same time as the capital murder - two victims, and one before that which he served time for); History of violence; Serious nature and circumstances of your offense(s); Release at this time would diminish seriousness of crime; The Board concludes you should serve more of your sentence prior to release on parole. This note serves as the official third "not grant" vote in Mr. Pritchett's case. A CORIS glitch is preventing the third vote from being cast in the traditional method through CORIS. ☐

Third Board Member Vote

After careful review for parole consideration, I vote to not grant for the following reasons: 1- release at this time would diminish the seriousness of the crime, 2- other- Mr. Lee was released on mandatory parole on January 4, 1995; he was arrested five days later for his most recent conviction of 1st degree murder in which the victim's skull was crushed by a blunt object [- Parole Board - 05/06/2025] Michelle Dermyer

Third Board Member Vote

I reviewed Mr. Sweigart's file for parole consideration on May 19, 2025 and as a result of that review, I am voting "not grant" for the following reasons: Crimes committed (1st Degree Homicide, Rape); Serious nature and circumstances of your offense - Heinous rape and murder of a 16 year-old girl - Her body was desecrated - he lit a fire around her inner thighs and vaginal area, and left her body in the woods; History of violence; Extensive criminal record; Release at this time would diminish the seriousness of crime; The Board concludes you should serve more of your sentence prior to release; Other - It appears Mr. Sweigart pleaded guilty, likely in exchange for the death penalty being taken off the table. I am submitting my vote of not grant as the official third vote in this case. A CORIS issue is preventing a third vote from being cast in the usual way. A correction has been requested to CORIS. <u>Parole Board Members Votes</u> Banks, Lloyd- Not Grant Dermyer, Michelle- Not Grant												<u>Third Board Member Vote</u> I reviewed Mr. Cleaton's file for parole consideration on May 19, 2025, and as a result of that review, I am voting "not Grant" for the following reasons: Crimes committed (1st degree Homicide); Serious nature and circumstances of your offense; History of substance abuse; Release at this time would diminish the seriousness of crime; The Board concludes you should serve more of your sentence prior to release. I am submitting my vote of not grant as the official third vote in this case. A CORIS issue is preventing a third vote from being cast in the usual way.
